School Improvement Plan

Target	Required Actions	Person(s) Responsible	Measurements	Timeframe -Review Date
<p>1.To improve time allocation of homework and independent study for students.</p>	<p>A homework policy will be developed and distributed to all subject teachers. Emphasis on retrieval/revision as a part of homework. Encourage uptake of supervised study, set up a shorter study for 1st & 2nd year students. Revision plans. Study skill sessions. Feel good Friday once per term at the decision of the principal where no homework is given and students have the option to study if they wish or to catch up on work. Revision only weekends for 3rd and 6th years decided at the discretion of the principal.</p>	<p>SSE committee Subjects teachers Year Heads Learning to learn module teachers</p>	<p>Informal discussion with students. Student Focus groups Re survey students, teachers and parents to compare results Ask parents at parent teacher meetings</p>	
<p>2. To improve the quality of homework produced by students</p>	<p>Homework Practice presentation to be designed and delivered to each class group. This will include a checklist on standard of homework. Excellence in effort reward system-teacher decides on one student per term who produced a consistent</p>	<p>SSE Committee Learning to learn module teachers Subjects Teachers</p>	<p>Teacher observation of difference in homework completion and standard of work. Monitor VShare for comments on homework.</p>	

	<p>high standard of homework throughout the term.</p> <p>Written homework will be corrected regularly with some element of comment/ grade and returned promptly with feedback on progress.</p> <p>Communication with parents – the homework policy outlines how parents could support the students with homework.</p>			
<p>3. To ensure consistency in assigning homework and correcting of homework to evaluate student progress.</p>	<p>A homework policy will outline procedures for assigning and correcting homework.</p>	<p>SSE Committee Subjects Teachers</p>	<p>Informal discussion with students. Student Focus groups Re survey students, teachers and parents to compare results Ask parents at parent teacher meetings</p>	
<p>4. To ensure that the homework journal is being used properly by students.</p>	<p>As part of the homework practice presentation student's expectations will be communicated.</p> <p>Teachers will write the homework on the board and students will record it in their diaries, alternatively homework will be posted on Teams and students will write "see Teams" into their diary.</p>	<p>Class Tutor Subject teachers Year Heads</p>	<p>Monitor diaries</p>
